

Household Diary Study (HDS) Order Form

POSTAL FISCAL YEAR 2007

The United States Postal Service's Household Diary study results can be ordered as a bound printed report at a cost of \$35, which covers printing, binding, and Priority Mail shipping. The study provides findings on mail use and attitudes of American households, with information, graphs, and tables on a variety of interesting subjects. The report also provides comparative tables with data from the 1987 and 2007 Studies. More information about the study is available at our website at
